Bill of Sale - Automobile/ Vehicle

Please NOTE that this package is tailored to the sale and purchase of a vehicle. If the item(s) are goods or equipment please use your browser's Back button and select the package Agreement and Bill of Sale -- Goods and Equipment.

Is there more than one purchaser? ☐ No ☐ Yes

What is the name of the purchaser?

If there is more than one purchaser, what is the name of the other purchaser?

Is there more than one Seller? ☐ No ☐ Yes

What is the name of the Seller?

If there is more than one Seller, what is the name of the other Seller?

Please state the sale price in words. For example Two Thousand Five Hundred dollars

Please state the sale price in numbers. For example 2,500.00 \$

Is the vehicle being purchased for a price less than its fair market value? ☐ Yes ☐ No

If yes, state the reason the vehicle is being sold for a price less than fair market value:
